Name and Address	Away	St Mirren	Hearts	St Johnstone	Manchester U	Chelsea

How to play

All you have to do is predict the outcome of the six matches. Decide whether you think the home team is going to win, the away team is going to win, or if the match will end in a draw then write in the "Prediction" box – "Home", "Away" or "Draw". Remember to fill out your name and address details in the box on the left hand side so we can identify you if you predict all six match outcomes correctly.

If someone correctly predicts all seven match outcomes they will win the prize money which is made up of half of all the entry fee's paid. If there is more than one winner the prize fund will be split equally between all the winners, and if there is no winner that week the prize fund will rollover to the following week.

We will publish the results on the club website along with the name of any winners and what the prize fund sits at on the website by Monday evening, each week. In the event of matches being postponed we will use the results as given by the "pools panel".

All of the profits from the competition will be used by the club for purchasing football kit and other essential equipment, like footballs, bibs and cones.

Paper entry - Simply fill in the form and hand over your £1 per line entry fee to the team coach. The coaches will then submit all the entries to me by Saturday 3pm at the latest.

Online entry - You can also play online through www.wishawwycombe.co.uk. Click on the Prediction Game link, fill in the form and follow the instructions to submit payment from your credit or debit card. If you choose to enter by this method the entrance fee is £1.30. The extra 30p is used to cover the charges levied to us by PayPal. If you submit three or more lines the 30p charge is waived. Again all entries have to be submitted by Saturday 3pm – late entries cannot be refunded but you will get a credit to take part in the following week's competition
